**THE SEQUELLE**

For

1961-1962

DR. JAMES GEMMELL

The educated man is by no means insensitive to the pleasures of the senses. But his greatest satisfaction is derived from the use of his mind. Life for him becomes a voyage of discovery—of himself, of others, and of the forces that shape the environment. The more he understands, the more fully he lives. The educated man also seeks to justify his existence by contributing in some constructive way to the operation of society as a whole.

The baccalaureate degree launches the educated man on his search for fulfillment. This is the search that unites him with the teachers, writers, and other discoverers all around him. This is his challenge; the imagination and effort he brings to bear on his work represent his personal search for fulfillment. May each graduate of 1962 find it.

## Eddie

EDWARD MICHEL

On May 27, 1962, we the Seniors of Clarion State will go on our way to a different life. The years may wipe out many things, but they will never erase the memories of those happy days when we were all together. The world changes from year to year and friends from day to day, but Eddie Michel, you will always remain one of our fondest memories of Clarion and our college years. His smile and his pleasant way, his helping hand to all he knew, will live in our memories.

When Eddie's days seemed brightest, just when his hopes seemed best, and he was ready to enter the world as a teacher, his life was taken. Time takes away the edge of grief, but memory turns back every leaf. Memory, however sad, is a link with this world and a better. Eddie, you will live forever in our memory.

The Panhellenic Council is comprised of an active and a silent member elected from each of the five sororities on campus. The council is under the sponsorship of Miss Grace Pryor with Diane Rich as president.

In addition to acting as a governing body for the five sororities, the council also regulates rushing and promotes various social activities. This year's social activities included the Panhellenic Halloween Party, Freshman meeting in the chapel, and the pre-Easter Formal.

The Interfraternity Council is made up of two members from each of the four fraternities on Clarion State College's campus. The Council's membership this year consists of: Theta Chi, Robert Schlemmer and Ron Gardner; Phi Sigma Epsilon, Roy Buterbaugh and Robert Lynch; Sigma Tau Gamma, Glenn Plyler and Carl McManamy; and Alpha Gamma Phi, William Jackson and Frank Muller.

The organization is under the guidance of Dr. Rishel, who is the Dean of students. The Council acts as a lawmaking and problem-solving body for the fraternities on campus. Under its constitution, the Council regulates the quality point average of pledges and the other pledging activities of the fraternities. It also handles fraternity violations and tries to solve any problems that the individual fraternities may have.

The Interfraternity Council also governs the establishment of new fraternities on Clarion's campus and controls the rules for formal rushing of new men. The Council also adds to the social life of the Clarion students by sponsoring a pre-Easter Dance. With the co-operation of member fraternities and the Panhellenic Council, the Interfraternity Council also has high hopes of holding other social events which will benefit the entire student body.

Beta Chi Upsilon, one of the two local sororities on Clarion's campus, celebrated its second anniversary in November, 1961.

The Betas, in their white blazers with rose piping, had a very active year. The first events of the year were Homecoming and fall rushing. At Christmas time were the annual Christmas party and the giving of a basket to a needy family. In the spring were the rush parties, the Miss C. S. C. contest, and the Mother's Day Tea.

The Betas have had a very successful and profitable year.

The Epsilon Theta chapter on Clarion's campus represents one of the 130 chapters of Delta Zeta, which is the largest national social sorority in the United States.

The Delts strive to unite its members in bands of sincere and lasting friendship, to stimulate one another in the pursuit of knowledge, and to promote the moral and social culture of its membership by sponsoring various activities such as pledge parties, rush parties, Cook Forest weekend, Alumni Tea, Philanthropic projects and Mother's Day Tea.

The Delts can be seen on campus wearing white blazers with green piping.

We were quite honored in this year's Homecoming to have our president, Joanie Wayne, as Homecoming Queen, Gingie Linnan and Nancy Horlick as attendants, Charlene Benninghoff as Phi Sigma Epsilon Queen, Diane McElrath as Sigma Tau Gamma White Rose Queen, Janie Schall and Charlene Benninghoff as varsity cheerleaders and Barbara Thompson as majorette.

Sigma Delta Phi, a local sorority is the oldest sorority on Clarion's campus. It was founded November 5, 1930. Our sisters proudly wear the white blazer with blue piping and our Greek letters on the pocket. Our quadiangular pin we wear with pride; and its guard, the torch, reflects in us the warm bond of sisterhood.

The "Sig Delts" have had a variety of activities this year starting with the Homecoming parade. Other activities were rushing parties, a Christmas party, the giving of a basket to a needy family in Clarion, our annual Cook Forest weekend, and our Mother's Day Tea.

The purpose of Sigma Delta Phi is to promote a sisterly feeling among its members. We point with pride to our loyalty to one another as sisters, to our devotions to the college, and its tradition, and to our alumnae.

The Alpha Pi Chapter of Sigma Sigma Sigma, founded in 1935, is the oldest national social sorority on the Clarion campus. The sisters of Tri Sigma strive for high scholastic attainments, high morals, and a well-rounded social life.

To attain these aims the girls in the purple and white participate in numerous activities. These include our Homecoming Tea and float, Cook Forest Weekend in the spring, charm school, hay rides, Founder's Day Banquet, bake sale, parties with our brothers, Sigma Tau Gamma, Christmas caroling and party, Mother's Day Tea, Senior Send-On, and of course our rush parties.

Because "Sigma serves children" there is a polio research hospital in North Carolina, Robbie Page Memorial Hospital, which is maintained by Tri Sigma.

Purple violets go to Dee Green, who was chosen Miss C. S. C. and Sigma Tau Gamma's White Rose Queen. Also, congratulations to Diane Rich on being Panhellenic president this year.

Phi Sigma Epsilon is a national social fraternity and a member of the National Interfraternity Conference. This organization strives to promote a closer bond among male students in higher educational institutions so that they may enter into more intimate fellowship with those dedicated to education. Clarion's Phi Eta chapter was installed in January 31, 1959. First semester's social calendar included the Homecoming float "The Old Woman In the Shoe" which placed third in the parade, the election of Charlene Benninghoff as our Tea Rose Queen, and the semi-annual rush party. Our sponsors are Dr. Bruno and Mr. Karl. Highlighting the second semester were the rushing and pledging of new brothers and the Regional Conclave held at Clarion. The annual Tea Rose Dance ended a very successful year for the brothers of Phi Sigma Epsilon.

## Sigma Tau Gamma

Since it was founded in 1920, Sigma Tau Gamma has as its objectives intellectual pursuit, cultural attainment, and social competency. Being primarily a social fraternity, we sponsor and participate actively in a number of social functions. In the fall we take best advantage of the weather by promoting several open-air parties. We are also active in inter-collegiate and inter-fraternity sports. With the coming of the Autumn Leaf Festival and our homecoming, we are busily engaged in parade float competition. In November we have our fall rush party and initiation of upper-classmen. Until warm weather returns, we sponsor a series of house parties. Winter finds Sigma Tau Gamma active in snow sculpturing for the Winter Capades, competition in which we took first place last year. Spring activities include Greek Night, Open House, Alumni Day, the spring rush party, initiation of freshmen, and a number of costume parties. As the high light of the spring semester, Sigma Tau Gamma holds its annual White Rose Ball.

The aim of the Student Senate is to represent the student body of Clarion State College in administrative matters. Its chief function is to serve these students in a number of ways. The Senate appropriates the funds of the Clarion Students' Association to the various campus organizations. Although this has been the chief function of the Senate in the past, the organization is in a process of reorganization and hopes to become a vital factor in student government. In doing this, the Senate asks for the active participation of all Clarion State College students.

The Circle K Club is the most recent organization to be initiated to the roster of clubs on Clarion's campus. The Circle K was organized three years ago through close affiliation with the Kiwanis Club of Clarion. There is no doubt of the club's distinguished position on the campus which it has earnestly earned during these three years.

The club meets every Monday. Though basically a service organization, the Circle K holds many entertaining social events on campus. Entertainment included Winter Capades, Circle K Presents and several dances.

This year the Circle K has endeavored to perform many services off the campus. One of these many projects included the maintenance of the Nature Trail in Cook Forest. Also, the Circle K has ushered for several college-community affairs.

The club not only emphasizes service and entertainment for the campus, but encourages personal development of each member by promoting high standards of scholarship, ethical conduct, and campus leadership. For three years now, the Circle K has helped mold the lives of Clarion men.

S. C. A., a non-denominational Christian organization, has made its goal that of reaching all students on campus and encouraging Christian fellowship.

The activities of S.C.A. have been numerous and varied. The first group affair was the Homecoming float. Its success was largely due to the enthusiasm of new members. On October 27, a hayride was held, and on November 3-5 representatives attended the Seneca Hills Conference sponsored by Inter-Varsity Christian Fellowship. In addition, weekly meetings have consisted of guest speakers, hymn sings, films, panel discussions and special worship services on holidays.

With a new publishing company, a new staff, and new ideas, the 1961-62 *Sequelle* staff began the chore of putting the Clarion yearbook. Many long nights were spent in laying out the future yearbook. Then came the nights of taking pictures, after a few schedulings. Finally, the yearbook began to take shape . . . the night before the first deadline. Much time was spent on the dummy, arranging of pictures, and the division pages, but finally in March the finished product was sent in.

We hope that the 1962 *Sequelle* is one you will remember for a long time as being a unique and representative depiction of the days at Clarion.

## DEBATE TEAM

Under the advising of Glenn B. Phipps, a debate team has been newly organized on Clarion State's campus. Due to the team's late organization, little can be explained about it, other than they are looking forward to their forthcoming debates this year and in the following years.

The aims of College Players is to stimulate dramatic and production talents through experience on stage, back stage, and out front; to broaden the cultural background and appreciation in our fellow students; and to provide that satisfaction, experience, and enjoyment that comes from participation in good theater.

Activities for the past year included four productions; "Charley's Aunt", "Macbeth", "Teahouse of the August Moon", and "Dream Girl". There was also the Ritual of Initiation last spring for new members with awards presented to outstanding students of the combined play productions.

# A CAPPELLA CHOIR

Conductor: William M. McDonald

The Clarion State College A Cappella Choir has completed a year of musical activity. The full choir numbers 70 voices and rehearses three evenings a week. About 20 voices from the choir formed the choral group which produced Stephen Vincent Benet's "John Brown's Body", a salute to the Civil War Centennial, and "Amahl and the Night Visitors." Both productions were in conjunction with the drama department. The busiest time of the year, spring, found the choir on its annual tour of area churches and high schools. In addition to the

large choir, twelve selected voices comprise a recently-formed ensemble, the Madrigal Singers, who had the honor of participating in the inaugural program of Dr. James Gemmell and furnishing the entertainment for the recognition dinner for Grace Sloan, newly-elected State Treasurer. Both of these programs took place in the spring of 1961.

Looking into the future, the music department plans to present at least one musical production each year. This production will be an all-college endeavor.

The purpose of the College Choir is to provide broad vocal ensemble experiences for the students of Clarion State College. Participation in actual music-making is a type of training and a form of intellectual, esthetic, and spiritual development which contributes vitally to the purpose for which the school stands.

Membership is open to all on campus through audition.

# MAJORETTES

Diane Hereda, Cathy Caylor, Peggy Dabelko, Dixie Lee Seabright, Barb Thompson, Ginnie Collette, Joyce Hindehiter, Marilyn Maier.

During the first few weeks of the fall semester, eight Clarion State College students were selected for the Majorette Corps of the Marching Band. These girls performed twirling, marching, and dance routines at all home football games and parades. One of their outstanding performances, fire baton twirling by all eight members, was held for the Queen on Homecoming Day.

Dixie Lee Seabright and Barbara Thompson shared honors in captaining this group.

The Clarion State College Concert Band, under the direction of Mr. Stanley F. Michalski, Jr., is a select group of seventy musicians.

The Concert Band played several concerts of marches, overtures, and music from Broadway shows for the student body at various college functions and gave the annual Mother's Day Outdoor Concert at Harvey Stadium in the spring. The Band also performed at many high schools in its tours through Elk County and the Pittsburgh area.

A highlight of the Band's Concert season was the guest appearance of a famous trumpet soloist, Rafael Mendez. Mr. Mendez is a world-renowned performer and exhibited his talents at a concert played by the Concert Band in which he acted as soloist.

A sixty-five piece unit, under the direction of Mr. Stanley F. Michalski, Jr., comprised the College Marching Band this past fall. The Band performed at all home football games, at various college functions, and appeared in many community affairs. One of the important community appearances was leading the Autumn Leaf Festival Parade.

In their routines, the Marching Band introduced new ideas of marching and playing. One innovation was the new style of half-time performances at football games. This style which was used for the entire football season consisted of one main theme for each show. All music, narrations, and formations, which were all arranged by Mr. Michalski, were established around this theme.

Bob Avery served as the Drum Major of the Marching Band. Although this was his first year of captaining the College Band, he did a remarkable job.

## DANCE BAND

The Clarion State College Dance Band is a highly select group of fifteen players. The first activity of the year in which the Dance Band participated was providing dance music for the Homecoming Dance. Among other college social functions and community affairs throughout the year, these fifteen players performed numerous times. In addition, they also played for many high school proms in the area.

The basic aim of the Women's Athletic Association is to provide college woman with a sport's activity. Although most of our sports are competitive, we play just for fun. During the academic year, we have soft-ball, volley-ball, basketball, and ping-pong. For each of these sports, there is a possible 10 points given. After a girl receives 25 points, she is a member of W. A. A. Upon reaching 50 points, she is awarded a W. A. A. Pin; 100 points, entitles her to be awarded the W. A. A. jacket. It is also possible to accumulate points through the year by time-keeping, scoring, and referecing for basketball.

## DR. RUSSELL L. V. MORGAN

### Students of Venango Campus:

All of us have had an unusual opportunity and an experience that will long be remembered—having been the “pioneering group” to open and to operate for its initial year the first Community College under the auspices of a state college in the Commonwealth of Pennsylvania. It has certainly been my pleasure to work with you in this new venture. You have been most cooperative and most pleasant in all of our mutual undertakings.

Venango Campus, I most certainly hope, has been truly “an open door to your future,” for through our planned experience we have tried to give purposeful direction to your maturing personalities. This is especially important in today’s complex and turbulent world, where values seem, at times, to shift and where oftentimes traditional concepts appear disturbed. In your first year of college education in both the professional program and the liberal arts program, Venango Campus has attempted to assist you to discover worthy goals and to develop critically and thoughtfully those ideals and attitudes which will maintain an equilibrium for you and be lifelong in nature. Your adjustment and adaptability will determine how much of this objective you have absorbed.

"Tea or Coffee?"

the Keller yearbook  
representative

DONALD J. MESSINGER

To the casual reader a yearbook is often simply an "album" of pictures with accompanying identifications and enough written text to fill up the remaining holes on the pages. Merely ink on paper . . . though nice to own and enjoy.

But to the staff and the adviser the yearbook means much more. For yearbook work comprises a multitude of details: Layout, Art, Photography, Copy, Typography, Covers and Binding (not to mention the small detail of money-raising). Highly technical and often confusing, these details are at the very least time-consuming and a source of anxiety to a staff unless the publisher's representative is company-trained to give needed help and suggestions.

All representatives for Wm. J. Keller Inc. are skilled in the many facets of yearbook work, having at their finger-tips the answers to yearbook problems as well as a multitude of ideas for new graphic arts special effects, to enable the staff to produce a yearbook that is different and attractive. Your Keller salesman is more than a technical adviser, he is a "clearing-house" of yearbook ideas.
